

Brussels, 28th August 2014

Dear Dennis,

Thank you for all your recent work to promote integrity within the European Parliament. In advance of the first meeting of the proposed integrity intergroup, we thought you might be interested to know which issues we consider relevant to include within the remit of the group. We attach a one-page summary of those issues and would be happy to discuss these ideas with you.

We are also sending this one pager to the other nine supporting MEPs (almost all of whom signed the Politics for People election pledge) and to Transparency International's EU office.

Thank you also for the invitation to attend a meeting on 2nd September; Paul de Clerck and Olivier Hoedeman will represent ALTER-EU there.

Kind regards,

ALTER-EU steering committee:
